## Best Practices For Screening Volunteers

for nonprofit organizations

BIB, a provider of background check services for nonprofits across the country, is dedicated to educating and engaging nonprofits regarding their background screening programs. Whether you have a system you've been using for years or just recently began screening, every organization can benefit from BIB's webinar, "Screening Volunteers: Best Practices for Nonprofits."

### **Webinar: Screening Volunteers: Best Practices for Nonprofits**

[\*\*Save My Spot!\*\*](#)

This candid, revealing conversation will provide key insights on volunteer screening, including:

- How background checks are performed (not all screens are the same!)
- The limitations of using state databases or the FBI
- Dangers of using a "national" database as a sole or primary source
- How instant checks can expose your organization to risk
- Key strategies to streamline the process of managing and tracking screens
- How your organization can save money and screen better
- The fundamentals of a reliable screen
- The value of issuing visible credentials

We hope you will take the time to spend this hour with us so that we can help you screen better! Not available during this time? Feel free to [contact us](#) to reserve an individual consultation.
